Forum Night –

Please come to the South Devon Coastal Local Action Group's Forum night. **Monday 9th November, 6.30pm- 8.30pm** at the Sixth Form Centre at Kingsbridge Community College. Find out more about the progress of the Local Action Fund and how to apply including top ten tips

Enablement Fund

A small grants fund has been set up to assist projects get off the ground. It is aimed at projects in their infancy where a group may need to carry out some research or other preparatory work before submitting a full project application. The maximum contribution will be 50% for profit making organisations and 75% for not for profit organisations. Grants are available from £1,000 - £10,000 per project. For further information please contact Devon Renaissance on: 01837 658643 or email: enablement@ruraldevon.org

Community Facilities Fund

This small grants fund will provide capital funding for small local community projects that seek to deliver / improve access to services, or develop / enhance community facilities. Typical projects may include play parks, recreational fields, village halls, sports facilities or allotments. This fund will contribute a maximum of 50% of the total eligible project costs. Funding starts at £2,500 rising to a maximum £15,000 per project. For

further information please contact Devon Renaissance on: 01837 658643 or email: cff@ruraldevon.org

Collaton to Butts Park Path

The South Devon Coastal Local Action Group have awarded a grant of £6,326 to Newton and Noss Parish Council for the creation of a new permissive path between Collaton and Butts Park. Work is due to start in the next couple of months.

Women Do Business

The South Devon Coastal Local Action Group have funded the Community Council of Devon to deliver a project called Women Do Business in South Devon. The programme enables women in the area to gain free support, advice and training locally to help them be successful in achieving their business aims. It also provides the chance to link up with other like-minded women to share ideas and make contacts. For more information contact Jan Spencer on Tel. 01392 381256

Wheels 2 Work

Devon wheels 2work

Following the recent award of funding from the South Devon Coastal Local Action Group, Devon Wheels 2 Work is now able to offer scooter and motorcycle loans to residents of all ages in the South Devon Coastal area. So if you find it difficult getting around and would benefit from a loan of one the machines please get in touch. Loans start from £20 per week with free training, insurance, tax and protective clothing included in the price. Give them a call on **0845 0944 308** they may be able to help.

More members

The Management Team is recruiting more members. To ensure we have a good spread of representation members are particularly sought from the far West of the area (Yealmpton/ Brixton/ Wembury/ Newton & Noss/ Holbeton) and also the far East of the area (Dartmouth/ Kingswear/ Dittisham/ Cornworthy/ Stoke Fleming/ Blackawton). If you are interested please contact John Yeoman – chairman – tel. 01548 561232.

Aveton Gifford Community Shop

The first project funded by the South Devon Coastal Local Action Group had its official opening on Saturday 5th September. Congratulations to the Aveton Gifford community for making this project happen!
